24 Hours of PASS - Advanced CTE Presenation

Today I am presenting on Advanced Common Table Expressions as part of the 24 Hours of PASS conference. It is being webcast so check it out if you can.

The outline for the presentation will be the following:

- Recursive Queries
- Hierarchical Recursive Data
- Manipulating Data
- Common Use Cases
- CTE Performance Considerations
- Classic Recursive Algorithms

The sample code and slides are available to download here:

AdvancedCTEs.zip

You can download the samples and follow along if you would like.

Enjoy!
