Join Us Tomorrow!

Join us Tomorrow at 9am PST via Zoom!

Join us tomorrow for Database Health training!

This tool has lots to offer and this is a great way to master it!

If you wish to:

- Quickly understand the health of your database.
- To learn how to get the perfect report for your needs.
- To learn short cuts within Database Health Monitor to save time.
- Locate bottlenecks in your SQL Server.
- Find tables that are using the most disk space in your database.

- Find and fix long running queries.
- Run reports that show the most fragmented indexes for your database.
- And more.....

Then Register for this Webinar - Space is limited
