Introduction to Database Corruption

We are 2 days away from the Introduction to Database Corruption free presentation.

On February 17, 2021 at 6:00pm Pacific time we will be presenting a free webcast training on SQL Server Database Corruption.

After repairing dozens of corrupt databases over the last 6 years we are going to share our experiences. Some of the good, the bad, and the ugly of corrupt databases. What things people did to make it worse, and what people did to make things better.

- Causes of Corruption
- Ransomware is not corruption
- Preventing Corruption
- If you need help

Please join the free training opportunity on February 17th.
