Introducing the Joes2Pros Academy

The new Joes2Pros Academy has just launched. The Academy provides an interactive classroom experience that can be accessed on your own time as you need it. This site has high quality content, quizzes and exams.

Students can interact with other students and instructors to get the best experience out of the Joes2Pros Academy.

Courses offered in the following areas:

- SQL Server Administration
- SQL Server Developer
- SQL Server BI
- SSRS
- AlwaysOn
- C#
- and more

The Joes2Pros Academy helps you take the journey from average Joe to technology Pro.

As an instructor in the Joes2Pros Academy I have been able to learn a great deal from the other instructors.
