Tune in Saturday the 8th at 10:00am

Tune in this Saturday as I will be a guest on the Rockin' the Code World show with DotNetDave.

Join Us - January 8th at 10:00am pacific time.

SCHEDULE:

- Introduction
- The Interview: Steve and I will be discussing:
    - SQL Server Performance Tuning and Monitoring
    - Steve's app called the Database Health Monitor
    - If there is time we will also discuss why developers want everything for free and being a seasoned developer.
- Special Prize Give-A-Way!

Here is a link to the show.
