Database Health Monitor Licensing

I get a lot of questions about the Database Health Monitor licensing agreement and server connections. Hopefully this page will answer some of those questions. Or you can email us at points@databasehealth.com

Ways to Increase your Connection Points

1. Be a current subscriber to my mailing list. **+1 server connection**
    - Subscribe Here
2. Become ongoing customer of Stedman Solutions. **+40 server connections**
    - View our Services
3. Enroll in the Database Health Monitor Training Course. **+20 server connections/year**
    - Link to Course
4. Enroll in any other Stedman Solutions training course. **+2 server connections/year**
    - Link to Courses
5. Purchase SQL Server mentoring package in the last 2 years. **+2 server connections/2 years**
    - Link to Mentoring Package
6. Create blog post promoting Database Health Monitor with link to download page. **+10 server connections/as long as post is active**
    - Email Kiana at points@databasehealth.com
7. Unlimited 5 Year license for $1999.00 + tax. **+unlimited connections / 5 years**
    - Link to purchase 5 Year license (use the same email address as you have registered in DHM or make sure to email us at points@databasehealth.com letting us know what email address you used)
