

Upcoming Speaking Engagements

There is a lot happening right now, so I thought I would put together a brief overview of upcoming speaking engagements.

- May 13th - [When Corruption Strikes](#) (PASS DBA Virtual Chapter Meeting)
- May 16th - [Exploring SQL Server Join Types – INNER, OUTER, and much more...](#) (SQL Saturday Redmond)
- June 9th - When Corruption Strikes 2 (HADR Virtual Pass Chapter)
- June 24th - Common Table Expressions – Advanced
- June 27th - Introduction to Policy Based Management (Vancouver BC SQL Saturday)

These presentations should be fun.
