Unleashing CTEs in SQL Server – Slides and Sample Code - Olympia SQL Saturday

Thanks to everyone who attended my CTE presentation at SQL Saturday in Olympia Washington today. Have a great rest of the day. As promised I have posted the slides and sample TSQL queries here. If you have any questions, please get in touch with me on Twitter @SqlEmt Remember to follow me on Twitter to stay informed of future presentations.

Unleashing CTEs - Steve Stedman

Try the Database Health Reports

Also, if you are interested in tracking down performance issues on your SQL Server, be sure to try out the Database Health Reports project, it is currently in the FREE Beta.
