4 days until Pass Summit 2013

This year I will be attending PASS Summit 2013 in Charlotte North Carolina. It seemed like ages ago when I registered, and now just we are just a few days away from Summit 2013.

This will be the first SQL conference that I have been to for some time where I will not be speaking. I am looking forward to it, just learning as much as I can, and getting to know others in the world wide SQL Family.

I have signed up for the SQL Karaoke event on Wednesday which looks like a hoot. I have chosen not to participate in the SQL kilt event, which I may end up regretting over time.

It is going to be a great week in Charlotte NC next week, and I am looking forward to it.

See you there!!!
