# Bellingham Startup Weekend Coming in 3 Weeks

I have just registered for the Bellingham Startup Weekend, which is just 3 weeks away, and looks like it should be a fun weekend.

Bellingham Startup Weekend is part of a larger organization that runs Startup Weekends all over the planet.

On November 22nd, 23rd and 24th, teams of entrepreneurs will commit to a 54 hour weekend to build a new startup competing with other teams. At the end of the weekend the startups will be judged and awards will be given.

In preparation for the weekend I just ordered the The Startup Owner's Manual book.

I am looking forward to this event. It should be lots of fun.
