

My lucky day

It appears to be my lucky day. Who would have thought that someone I don't even know would want me to invest \$48,000,000 for them. Wow it is so exciting.

ok... now that I am through the sarcasm, I am just logging this to share some of the crazy scams that we come across every day. Sorry Anthony Martinez, but I am going to be unable to take you up on your scam, maybe one of the other recipients listed on the To: line will be able to help you.
