

## Newsletter

Sign up to receive my newsletter.

This is an opt in email list, you can opt out at any time.

Signing up, you will receive an occasional email message, with things like the Database Corruption Challenge, Database Health Monitor updates and other SQL Server topics.

### **Free Product Registration Code for all who sign up for the newsletter**

To get a product registration code for [Database Health Monitor](#), sign up and confirm your subscription to this newsletter. If you are already subscribed to the newsletter, and would like a license key, just email me (Steve) and I will send you a product registration code for [Database Health Monitor](#).
