## Scoring the Challenge

Here are the scoring criteria that for the first 10 weeks event.

Updated 5/31/2015.

- Each week you can earn the following points:
  - 2 points for being the first to submit a correct solution, as long as you mention the contest on [twitter](#), with a link.
  - 1 point for submitting a correct solution before the deadline.
  - **Bonus: 1 extra point to everyone who completes the challenge before any extra clues are provided. I will wait at least 24 hours before posting any extra clues.**
- Once in the competition you can earn points for the following:
  - 1 point for creating a blog post **or LinkedIn post** that talks about the challenge, and links to <http://SteveStedman.com/corruption> (if you do this you should email a link to the post). **For the LinkedIn Post, status updates don't count, you need to click the "Publish a Post" link.**
