2 Weeks to Claim Your Spot!

Only a couple weeks until our very first Database Health Monitor Training + Q&A.

Space is limited to 100 participants each month so claim your spot soon!

What will this training cover?

Each month a different feature of Database Health Monitor will be highlighted. We will cover ways and short cuts to navigate through the system and how to monitor specific aspects of your SQL Servers health, performance or availability. After the training demonstration you will have the opportunity to ask Steve questions.
